# Welcome

---

At Chromalloy, we are all on a mission to continue to grow our business through our winning formula of Culture, Strategy & Execution. Our Culture is made up of Three Circles: our Values, our Operating Approach, and our People Experience.

We know that your benefits are vitally important to your experience as an employee of Chromalloy. The Chromalloy Benefits Plan is designed to provide coverage beyond the basics by offering robust and competitive options for you and your family.

We invite you to attend our Virtual Benefits Fair where you can learn about all the options available to you and your family. At the Virtual Fair, you can tour the benefits booths and browse benefit materials to learn more anytime.

We are glad you have chosen to be a part of Chromalloy, and we are grateful for the part you play in the shared success of our organization.

Best Regards,

Your Benefits Team at Chromalloy
